I ALWAYS ENJOYED GOING TO THE AIRPORT WHEN I WAS YOUNGER.

I especially love that you can travel to another country and experience other cultures and ways of living that are so different to what you are used to.

IN A DECADE'S TIME I HOPE TO STILL BE IN THE TRAVEL INDUSTRY.

I love being in corporate but I'd also love to diversify my skills and experience different areas of travel.

I DRAW GREAT INSPIRATION FROM THE WOMEN IN TRAVEL WHO ARE SUCCESSFULLY RUNNING THEIR OWN BUSINESSES.

All the companies I have worked at are led by powerful and successful women, which helps motivate me to reach my goals and chase my dreams.

ONCE A CLIENT CALLED ABOUT A MISSING PAIR OF UNDIES...

After ringing the hotel and finding the missing nickers, the client wanted them returned. Must've been an expensive pair of undies!
